

# SETTOP CABINET

FOR MONITORING

MONITORING BOX  
FOR SETTOP M1  
INSTALLATION WITH  
UPS AND CHARGER

Settop Cabinet is the perfect complement to the installation of a monitoring system. All the accessories of the Settop M1 fit in a small waterproof box for quick, agile and comfortable access to all of them.

With two sizes to choose from to suit your needs. Includes supports to house up to 2 batteries (depending on model) for greater autonomy with its charger and supports for the Settop M1 and a GNSS receiver.
